US Government Customer: The Products are commercial items, developed at private expense, provided to Customer under a commercial computer software license agreement (Master Agreement). If Customer is a US government entity or US government contractor, Esri licenses or provides subscriptions to Customer in accordance with FAR Subparts 12.211/12.212 or DFARS Subpart 227.7202. Esri Data and Online Services are licensed or subscribed under the same DFARS Subpart 227.7202 policy as commercial computer software for acquisitions made under DFARS. Products are subject to restrictions, and the Master Agreement strictly governs Customer's use, modification, performance, reproduction, release, display, or disclosure of Products. Master Agreement provisions that are inconsistent with federal law regulation will not apply. A US government Customer may transfer Software to any of its facilities to which it transfers the computer(s) on which it has installed such Software.

Export Notice: Use of these Materials is subject to U.S. export control laws and regulations including the U.S. Department of Commerce Export Administration Regulations (EAR). Diversion of these Materials contrary to U.S. law is prohibited.
